## 8 helpful hints about school uniforms

1. Shopping in August is like shopping at a toy store on Christmas Eve - there are still lots of uniforms on the shelf but they might not be what your child needs. Shop in June and July for the best selection.
2. Not every 5-year-old wears size 5. Some wear 3s, some wear 8s.
3. Do not take your tags off until your child wears it to school.
4. If you do not see what you need please let us know - we have additional merchandise in our warehouse. Sold out items can be ordered and customers who pre-order receive priority when new shipments arrive.
5. Buyer Beware! If it is not on your uniform list then we cannot be responsible for your purchase. Be sure to buy the right color, style, & product for your child's gender & grade.
6. If you have a question please refer to your parent handbook from the school.
7. Do not use any bleach, not even fabric safe bleach. Bleach is bleach.
8. Allow 30-60 minutes per child to select the uniform.
